# JOHN CARL S. SANCHEZ

Wagdas, Pandan, Catanduanes | 09534737135 | johncarlsanchez06@gmail.com | www.linkedin.com/in/john-carl-sanchez-974658418

## PROFESSIONAL SUMMARY

Information Technology graduate experienced in administrative operations and full-stack web development. Handled both frontend and backend programming to build and deploy a functional document management system, AccrediTrack, for a capstone project. Focused on improving organizational processes through digital solutions. Gained hands-on industry experience as an IT Intern at PDOHO by providing technical support and regular system maintenance.

## WORK EXPERIENCE

**IT Intern – Provincial Department of Health Office (PDOHO) Catanduanes** ***Feb 2026 – May 2026***

- Developed and deployed the PDOHO Digital Records Hub to replace manual filing, resulting in a centralized document management system that improved file retrieval time through keyword search features.
- Created PDOHO Weekly Monthly Monitoring & Accomplishment Report Sheet using spreadsheet formulas, resulting in an automated tracking tool for staff to log monthly activities and verify program completions.
- Designed a new departmental organizational structure using Canva and formatted the Local Health Board Guidebook into a booklet, resulting in professional administrative materials distributed to all medical staff.
- Provided daily technical support by troubleshooting network connection issues and resolving printer hardware problems, resulting in minimized equipment downtime and smooth administrative workflows.
- Assisted the PuroKalusugan community outreach program in Baras by supporting the distribution of prescribed medicines, resulting in the successful delivery of free healthcare services to local residents.

## SKILLS

- **Web Development & Programming:** HTML, CSS, JavaScript, PHP, Bootstrap
- **Networking & Security:** Cybersecurity Fundamentals, Ethical Hacking, Hardware & Software Troubleshooting, Network Troubleshooting, Computer Maintenance
- **Databases:** MySql, Firestore, Supabase
- **Tools & Software:** VS Code, GitHub, Windows, XAMPP
- **Design & Productivity:** Canva, Capcut, Microsoft Office Suite
- **AI Tools:** Chatgpt, Gemini, Copilot (coding assistance, debugging, learning support)
- **Soft Skills:** Problem-Solving, Adaptability, Technical Communication, Active Listening, Teamwork, Time Management, Attention to Detail, Fast Learner, Interpersonal Skills.

## PROJECTS

**AccrediTrack: Streamlining University Accreditation Process – Capstone Project** ***Jul 2025 – Feb 2026***

- Developed a web-based accreditation management system for the College of Information and Communications Technology at CatSU using PHP, MySQL, HTMML, CSS, JavaScript, and Bootstrap.
- Automated document uploading, validation, organization to streamline the university accreditation process.
- Implemented a local file system directory for secure file management.
- Added encyrption and role-based access control to enhance data security and improve document accuracy.
- Designed a real-time dashboard for progress monitoring and deadline notifications to improve collaboration between faculty and the Quality Assurance Coordinator.

**PDOHO Digital Records Hub** ***Feb 2026 – May 2026***

- Built a digital records hub for the Provincial Health Office in Catanduanes using PHP, MySQL, HTML, CSS, JavaScript, and Bootstrap to digitize employee files and monitoring sheets.
- Created features allowing the administrative office to upload files, organize documents into folders, and retrieve records quickly using a built-in keyword search feature.
- Refined the system based on feedback gathered during monthly meetings with doctors and staff, resulting in full deployment for daily office operations.

**PDOHO Weekly Monitoring & Accomplishment Report Sheet** ***March 2026 – April 2026***

- Developed an automated tracking tool using spreadsheet software functions and formulas to help employees document monthly activities and scheduled programs.
- Designed an organized layout that allowed staff to attach pictures and verification links to create a more efficient office data management workflow.

## EDUCATION

**Bachelor of Science in Information Technology** ***2022 – 2026***
Catanduanes State University
Cum Laude

## CERTIFICATIONS & ELIGIBILITY
